Studio VISIA
575 West 19th Street
Costa Mesa, CA 92627

To Whom it may concern,

We have engaged studio VISIA to design our web page. While we are not finished with this project, I can tell you that we are pleased with our relationship thus far. The folks at studio VISIA are pleasant to deal with, came up with excellent graphics, they are fast, competitively priced and have put up with our, unfortunate, slow time frame.

Sincerely,

Steve Hines
President
