Re: Job well done

Dear Teddy,

I wanted to take this opportunity to thank you and the entire Visia team for the fine work you have done in creating our web site. Your professionalism and creativity was demonstrated throughout the entire process of designing and implementing our web site. All the work was done in a timely manner that in this industry is not always guaranteed and as such was much appreciated. We look forward to working with you again in the future.

Best,

Robert Moskovits
Executive Vice President, Business Development
