JANUARY 22/99.

REFERENCE LETTER

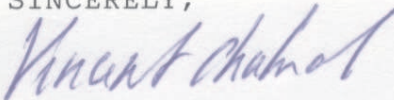

WHEN WE DECIDED TO LAUNCH A SITE OF MALEV CARGO AIRLINES IN 1996 THE CONCEPT FOR INTERNET PRESENCE WAS NOT CLEAR YET. WHEN WE TURNED TO STUDIO VISIA TO DEVELOP THE SITE WHAT WE RECEIVE AS A TREAT AND SERVICE WAS WAY BEYOND OUR EXPECTATIONS.

THIS YOUNG, RESPONSIVE AND HIGHLY PROFESSIONAL TEAM CREATED THE LOOK, FEELING, ARCHITECTURE, NAVIGATION AND LAYOUT OF THE INFORMATION IN SHORT TERM WITH INTERACTION TO OUR THOUGHTS, NEEDS AND EXPECTATIONS. THE SITE IS AWARDED AS ONE OF THE TOP MTA-IC 10 BEST AIR CARGO SITES.

I CAN RECOMMEND THEIR WORK TO EVERYBODY WHO CONSIDERS INTERNET AS THE MEDIA WITH THE GREATEST POTENTIAL AND CAN ASSURE THAT ONCE YOU TRUST STUDIO VISIA YOUR BUSINESS WILL BE IN HIGHLY PROFESSIONAL HANDS AND CREATIVE MINDS.

IT WAS PLEASURE WORKING WITH STUDIO VISIA.

SINCERELY,

VINCENT CHABROL

CARGO MANAGER, USA
